# ATOMEX GROUP

- technological equipment for power engineering
- technological equipment for the nuclear power plants
- ecological systems for industrial waste incineration plants
- technological equipment for industrial waste water treatment plants
- equipment for chemical and petrochemical industries
- technological equipment for automotive industry

## Assumptions for our successful activity are:

- ❑ Skilled staff
- ❑ Complex approach to solution of investment units
- ❑ Earnest and plain dealing with customers and investors
- ❑ Long-term cooperation with subcontractors
- ❑ High quality of products and services
- ❑ Close and effective cooperation with banks to finance of investment units

## Our activity areas

1. Energy Projects
2. Water treatment
3. Oil & Gas
4. Other projects

# 1. Energy projects

- power plants and heating power plants
- power plants basic on renewable resources (water, wind, biomass)
- reconstruction, modernization and gas penetration of energy units
- other projects (incineration plants)

## 2. Water treatment

- municipal wastewater treatment plants
- industrial wastewater treatment plants
- waste water treatment plants / nanotechnology
- control and diagnostic systems
- other projects

## 3. Oil & Gas

Industrial projects for:

- Petroleum, natural gas and associated gas exploitation
- Storage, treatment and transport of natural gas
- Refinery, petrochemical and chemical industry

## 4. Other projects

- technological equipment for the nuclear power plants
- technological equipment for uranium industry
- individual machines for engineering and automotive industries
- robotized Welding Centre
- mechanization and Robotization
- reconstruction, Renewal and Modernization
- transfer of technological equipment

## Main activities include:

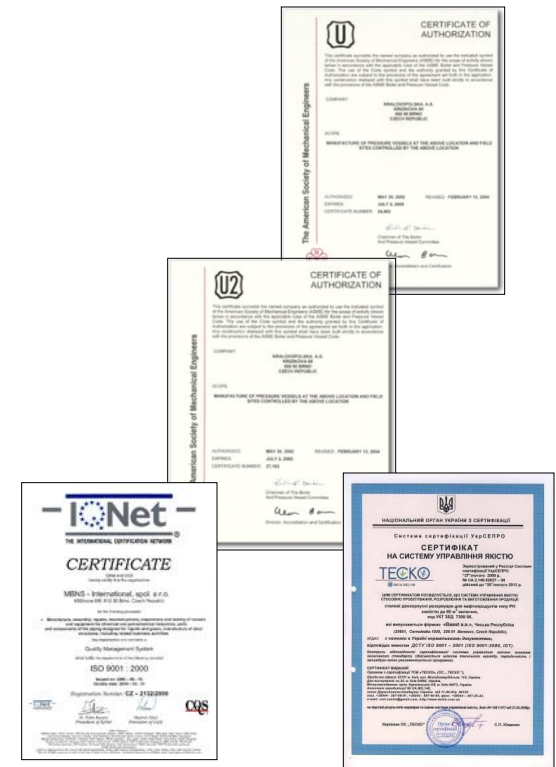

- feasibility study, design and implementation
- investment construction including possible funding
- engineering, detail design and project management
- manufacturing and logistics
- erection, installation
- commissioning
- guarantee and after-guarantee services, incl. spare part deliveries

# Selected certificates

- ❑ EN ISO 9001
- ❑ EN ISO 14001
- ❑ OHSAS 18001
- ❑ ASME BPV - Code - section VIII, Division 1, Division 2
- ❑ Quality System Certificate for welding in the scope of DIN 18 800-7 Class E, DIN 15 018, DIN 22261 and DIN 4133
- ❑ AD Merkblatt HPO
- ❑ GOST-R Conformity Certificate
- ❑ EN ISO 9001:2000 Certificate for Ukraine

## Contacts

Chairman of Board of Association:

František Kulovaný

Vice.Charman of Board of Association:

David Vinkler

Director of the Association:

Jan Bartošic
