Web site:

Serbian partner: Vojvodina Metal Cluster – submitted project to COSME, Call for proposals COS-CLUSTER-2015-3-02. We want to focus on a joint research and development of joint product.

We are looking for:

Business partners ,who are established in machinery industry for our together projects.

We are able to help Serbian companies with establishing branch offices in Czech Republic, or we will be helpful with establishing our together joint ventures. We offer screening services for Serbian companies in each area of interesting.

Cluster member:

HLIMONT s.r.o. – Agricultural machinery import from Serbia, metalworking
JP kovo s.r.o. – metalworking
INVIRA s.r.o. – metalworking, medical technology
