Web site: [www.repok.cz](http://www.repok.cz)

We are looking for: the cooperation in the field of a food production – bread, pastry, confectionery production, fruit processing, meat and dairy processing, beer production.

- Joint development of technologies
- Joint design of products/recipes
- Looking for partners (suppliers, subscribers/customers)
- Cooperation in marketing, development and testing „novel food“
- Common bilateral or multilateral EU projects
